PROJECT AMENITIES

THE URBAN PARK

Located across Flores Street from Frost Tower's main entrance lies an approximately 1.2 acre park. This beautifully manicured space, featuring contoured grounds and vine-covered walkways, was designed by the world renowned landscape architecture firm of GGN. In addition to offering seating options to hold an informal outdoor meeting, or simply to sip a cup of coffee from a nearby coffee shop, the park will be programmed for year-round enjoyment. Anchoring the north end of the park is Pinkerton's BBQ, serving up their Texas Monthly recognized meats in a restaurant that features ample indoor and outdoor seating options.

SAN PEDRO CREEK

Located across Camaron Street, Frost Tower's western boundary, lies the San Pedro Creek Culture Park. This world-class linear park combines public art, architectural design, local craft, and historic preservation with engineering, ecosystem restoration, and native landscaping. The first segment of the park, which is located adjacent to Frost Tower, is complete and ready for enjoyment. When fully finished, the linear parkway will offer over two miles of walkways through downtown San Antonio.

TENANT LOUNGE

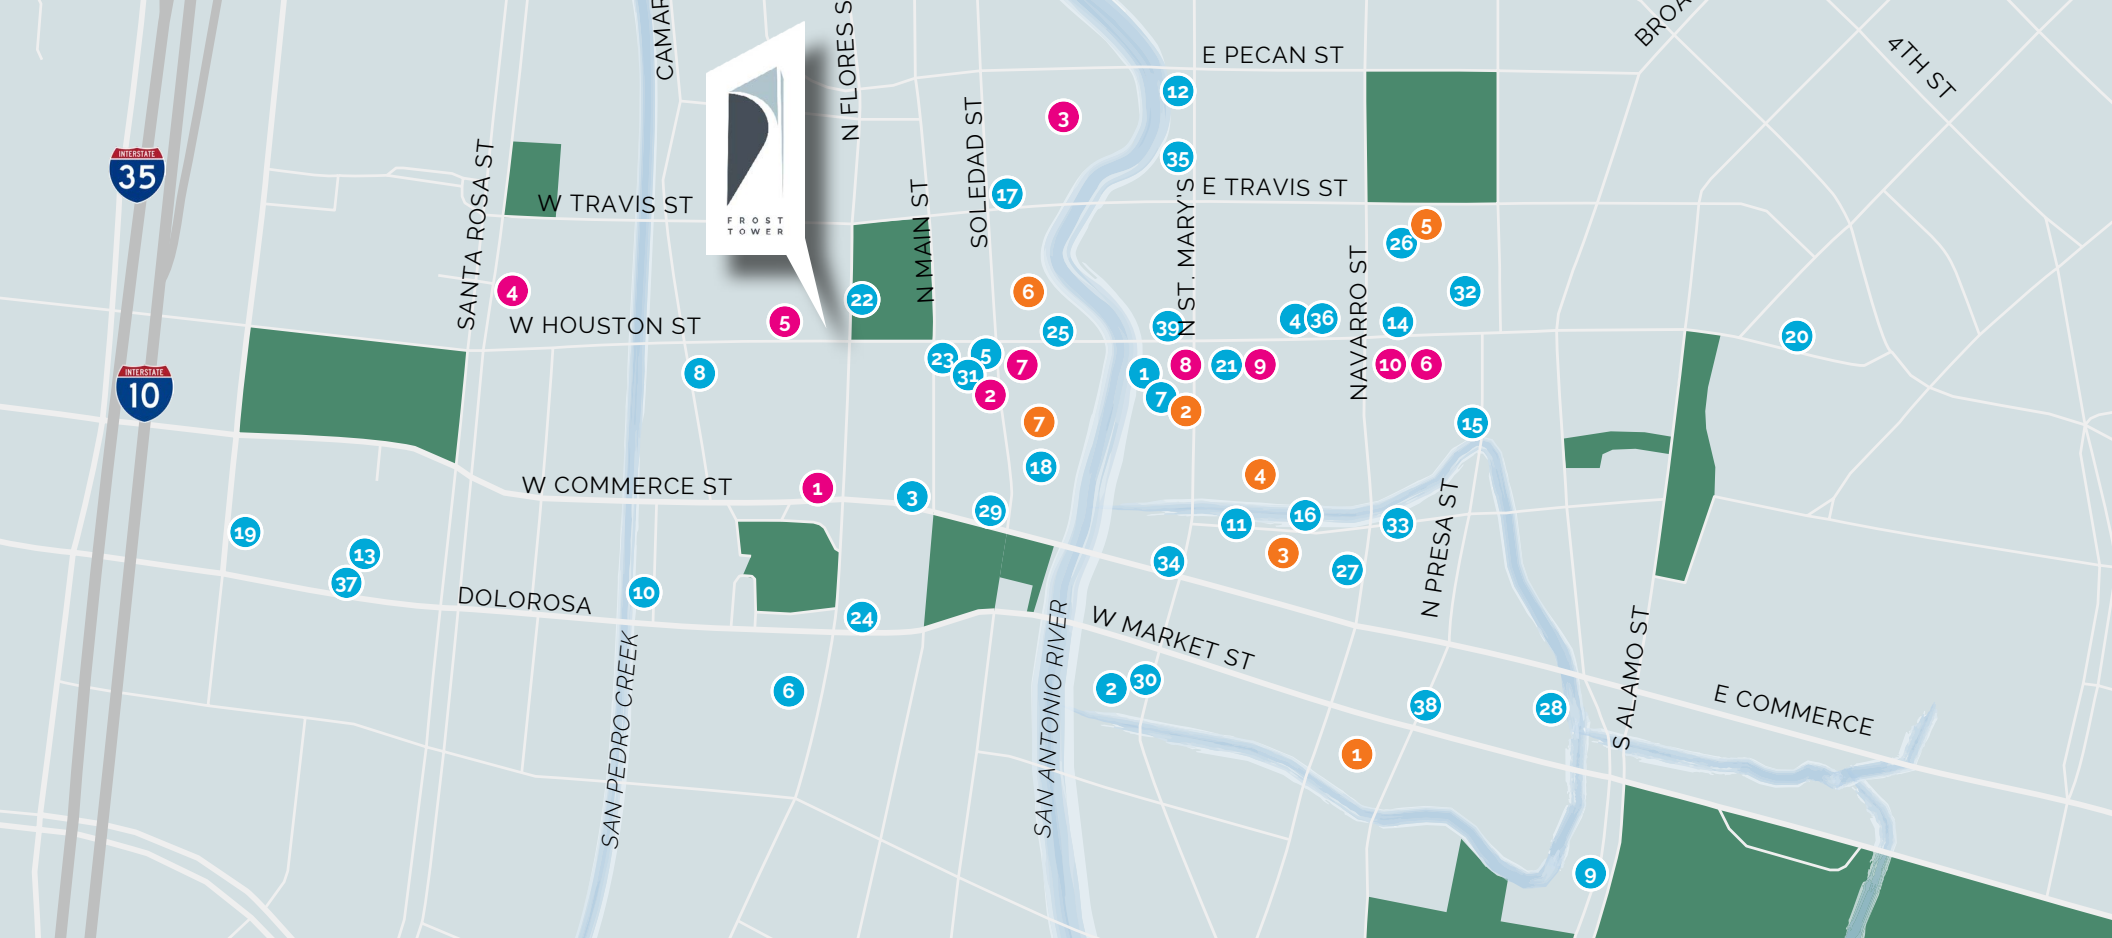

Serving as the "living room" of the project, Frost Tower features a one-of-a-kind lounge for tenants to enjoy. Beautifully designed and furnished for multiple purposes, the lounge offers a fully functioning commercial and catering kitchen, numerous seating options, a tasting room with private lockers, a boardroom complete with A/V equipment, and large flat screen TV. Complimentary coffee and pastries are regularly available, along with a variety of drinks and snacks. If desired, the lounge is available for tenants to reserve for private events.

FITNESS CENTER

Located on the second floor of the parking deck, overlooking San Pedro Creek, sits an over 5,000 square foot fitness center that is both free and exclusive to employees of Frost Tower tenants. The fitness center features abundant natural light, free and machine weights, treadmills, elliptical trainers, stationary bikes and other top-of-the-line fitness equipment. The fitness center also offers group fitness options, towel service, and beautifully appointed locker rooms, complete with showers. For cyclists, Frost Tower features secured bike storage for tenants, conveniently located on the first floor of the parking garage.
